

Construction and Demolition Debris Disposal Method Form

Desoto County Ordinance number 2006-35 dictates that prior to a building permit being issued for the construction or renovation of any structure, the applicant shall provide for the collection and disposal of any construction and demolition debris. No permit will be issued until one of the two following methods is chosen.

1. The applicant may choose to enter into a contract with the franchisee of the county. (Womack Sanitation Inc.)
2. The applicant may self haul their own waste to an authorized landfill using the applicants equipment and bona fide staff personnel of the applicant.

I choose to:

1. Use County Franchisee – attach contract with Womack Sanitation Inc.
2. I will self haul – I will dispose of all construction and demolition debris at a licensed disposal facility. You will be required to show evidence of proper disposal upon request of code enforcement or any other county department.

This selection will remain in effect until _____, or I provide written notification of a change in selection.

The following is an excerpt from Desoto County Ordinance number 2006-35.

Section 7. Construction and demolition debris.

Section 7.1 Prior to the issuance of a building permit for the construction or renovation of any structure, the applicant shall provide for the collection and disposal of any construction and demolition debris which may result from the construction. In order to obtain a building permit for the construction of any structure, the applicant shall indicate in writing on forms provided by the county which of the following methods of collection and disposal shall be used:

Section 7.1.1 The applicant will contract with the franchisee to collect and properly dispose of all construction and demolition debris generated; or

Section 7.1.2 The applicant will self-haul, that is, provide for the collection, recycling, or disposal of construction and demolition debris at an authorized landfill using bona fide staff personnel of the applicant and equipment for such collection and disposal that is acceptable to the county.

Section 7.2 No building permit shall be issued by the county until one of the above alternatives has been selected by the applicant.

The billing and collection of fees for collection and disposal of construction and demolition debris shall be the sole responsibility of the franchisee collector. The county may by separate ordinance or resolution provide for standard rates and fees for collection of construction and demolition debris. All such collection and disposal shall be the responsibility of the applicant for the building permit. All construction and demolition debris collected shall be recycled or disposed of at an authorized landfill.

ARTICLE IV. MISCELLANEOUS: PENALTIES; REMEDIES

Section 1. Penalties. Any person found guilty of violating any provisions of this ordinance shall be punished by a fine not exceeding \$500.00 or by imprisonment in the county jail for not more than 60 days, or by both such fine and imprisonment.

. Remedies. In addition to the penalties as provided herein, the county may have recourse to such remedies as provided in law and equity to ensure compliance with the provisions of this ordinance, to include temporary and permanent injunctive relief and recovery of damages, or actions before the Special Master to achieve compliance by corrective orders and fines enforceable by liens upon the realty of the offender. Each day a violation of this ordinance continues unabated shall be deemed a separate violation of same for penalty purposes. Administrative fines, as provided in §381.0061, F.S., or in a franchise agreement, may be imposed by the health authority should conditions necessitate.
